Request for Expressions of Interest

E26-OP205 General Facilities Maintenance & Valve Cooling

Emera Newfoundland & Labrador operates the Maritime Link, a 500 MW +/- 200kV HVDC transmission link between the island of Newfoundland and Nova Scotia.

We presently seek from qualified companies their expression of interest in receiving a Request for Quotes for general trades for maintaining buildings at either one or both of our sites in Bottom Brook, NL, and Woodbine, NS. The planned activities will include:

(a) General maintenance activities on an ad-hoc basis for Maritime Link Converter and Transition buildings;
(b) Inspection and maintenance of Valve Cooling System, including MCC according to ensure safe and reliable operation.

Companies interested in participating may request a copy of the EOI questionnaire by emailing ENLprocurement@emera.com

Completed questionnaires must be submitted no later than **5:00 p.m. NST on November 6, 2026.**

Emera Newfoundland & Labrador is committed to conducting business in a manner that ensures the health and safety of all people on our worksites, is respectful of the environment, and promotes diversity and inclusion.
